IV. MISCELLANEOUS

JUNE 15, 1972

The YIP held a press conference on Thursday, June 15, 1972, at their headquarters, 1674 Meridian Avenue, Miami Beach, Florida. Neither JERRY RUBIN nor ABBIÉ HOFFMAN was present and the spokesman was JEFF SCHERRO, who uses the name JEFF KNIGHTBYRD. It was stated that the yip planned no marches and no confrontations at the Democratic Convention and that instead, they would focus protest on the Republican Convention, which would hit the Beach in August. Further,

YIP dropped its estimate of demonstrators for the Democratic Convention from 100,000 to 50,000 and indicated they no longer needed the Bayshore Golf Course as a campsite and indicated the Miami Beach Senior High School athletic field and the Par Three Course would suffice. In regard to the Democratic Convention, they indicated they would shift their emphasis from political protest to a "cultural and artistic expression of new life possibilities." They predicted a "mass mobilization" for the GOP Convention but added, "We think a massive non-violent presence will be more effective in stopping the war than street fighting."

At the Bayshore Golf Course, "Zippie" spokesman PATRICK SMALL claimed the group had seeded the golf course with 30 pounds of marijuana seed, dropped from a small plane on June 8, 1972, before dawn.

The Zippies are an offshoot of the YIP and the normal leader is TOM FORCADE.

The June 16, 1972 edition of the "Miami Herald," regular Miami newspaper, reflected an article captioned "Yippies Cancel Demo Protest Plans," and on the continuing page, it was captioned "Yippies Cancel Demo Protest; Will Hit GOP."

"In an abrupt switch, the Youth International Party said Thursday it plans 'no marches and no confrontations' at the Democratic Convention, which begins July 10 in Miami Beach.

"Instead, YIP spokesmen said, they'll focus protest on the Republican Convention, which will hit the beach in August.

"Yippie spokesmen dropped their estimate of demonstrators for the first convention from 100,000 to 50,000 or less, and said they no longer need Bayshore Golf Course as a campsite.

"With smaller numbers, they said, Beach Mayor Chuck Hall's offer of Miami Beach Senior High School athletic field and the Par Three Golf Course will suffice.

"The announcement was a surprise because the YIP has the biggest names -- Jerry Rubin and Abbie Hoffman -- and the best financing of all the white anti-war protest groups now operating in Miami.

"Neither Rubin nor Hoffman, however, was present for the press conference at which the YIP announced its new plans.

"You can think of the conventions as a stew," said Jeff Nightbyrd, YIP spokesman.

"The Republicans are the meat. The Democrats are the vegetables, City officials are the carrots. The people of the city are the gravy and we are the spice.

"The meat is tainted, too many carrots have had their heads underground and we gotta change the recipe."

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

YOUTH INTERNATIONAL PARTY (YIP)

"Behind the announcement was the fact that the Miami Beach City Council has refused so far to designate campsites demanded by the YIP and other protest groups.

"In their announcement, YIP leaders blamed this on the Nixon Administration:

"Our work here leads us to believe the Republicans would welcome a chaotic situation which would discredit the Democratic Party . . . We do not want to be a party to that."

"Admitting that no one protest group can control all others for the conventions, the Yippies claimed only that their announcement would 'set the tone' for demonstrators flocking to the two conventions.

"A broader statement from nine protest groups was expected. Including the YIP, the nine groups were scheduled to present their needs to Gov. Reubin Askew's citizens committee for convention planning.

"Speaking only for themselves, the Yippies said they will shift their emphasis at the Democratic Convention from political protest to 'a cultural and artistic expression of new life possibilities.'

"That means, they said, counter-culture poet Alan Ginsberg will lead 'chanting,' while artists will express themselves through such unconventional presentations as 'sky art,' for which searchlights and sky writing planes were included as 'possibilities.'

"We want to make clear we are not endorsing any candidate of the Democratic Party," the YIP said. "However, we see several progressive elements working among the Democrats, and will do everything possible to create a peaceful atmosphere where they can work unhindered."

"They predicted a 'mass mobilization' for the GOP convention, but added: 'We think a massive non-violent presence will be more effective in stopping the war than street fighting.'"

"Meanwhile, at Bayshore Golf Course, a splinter group of the YIP calling themselves Zippies announced plans for a marijuana smoke-in which they hope to conduct on that site July 9.

"Zippie spokesman Pat Small claimed the group has already seeded the golf course with 30 pounds of marijuana seed dropped from a small airplane June 8 before dawn.

"Asked who provided the plane, he replied:

"'The Zippie Air Force.'"

"Together, the two announcements seemed to indicate that white youths have shifted their anti-war demonstrations away from the Democratic Convention, and will concentrate instead on a counter-culture exhibition of what they call 'alternative life-styles.'"

"At least two black groups, however, still plan protest demonstrations at the Democratic

On July 14, 1972, Abbott Howard Hoffman appeared for approximately seven minutes on the National Broadcasting Company (NBC) television show, the "Today Show," during which time Hoffman was interviewed by co-hosts, Barbara Walters and Hugh Downs.

Abbott Howard Hoffman, also known as Abbie Hoffman, was found guilty of anti-riot law violations that arose from activities during the national convention at Chicago, Illinois, August, 1968. Pending an appeal, he was released on bond by the United States Court of Appeals, Chicago, Illinois.

During his appearance, Hoffman mentioned his role in the upcoming book entitled VOTE, and which will be concerned with demonstrations at the two national party conventions. He mentioned the funds received from the book will be used to support demonstrations during the Republican Convention in Miami. Hoffman said he hoped the book will be good "propaganda" for the Youth International Party (YIP).

ENCLOSURE

Abbott Howard Hoffman

The YIP, also known as Yippies, is a loosely knit, anti-establishment, revolutionary youth organization formed in New York City, in January, 1968.

Regarding the upcoming Republican Convention, Hoffman remarked he will be "in the streets," and that he anticipated "massive militant demonstrations," against President Nixon's war policy and domestic policy.

When asked by Barbara Walters if he will be leading the demonstrations, Hoffman remarked "No, I don't consider myself a leader," but stated he "will be playing a role in the demonstrations." Hoffman concluded to the question, "You're trying to get me in another trial Barbara."

When asked if he anticipated another Chicago, Hoffman remarked "In some sense I hope we do have a repeat of Chicago in that we have an impact on the political process." Hoffman concluded that he hoped there will not be violence as there was in Chicago.

When asked if his political ideology has changed, Hoffman remarked, "No, some of the tactics have changed, but not the goals. Now I believe in socialism, redistribution of the wealth, and an end to imperialism and racism."

RE: YOUTH INTERNATIONAL PARTY

Notices were posted at the Miami Beach Campus of Florida Atlantic University that the YIP would sponsor a film "The Chicago Seven" at that campus at 1 PM on July 5, 1972. Notices were also posted on that campus that ABBIE HOFFMAN of YIP would speak at the campus on July 6, 1972.

[REDACTED] w

JERRY RUBIN and ABBIE HOFFMAN on June 18, 1970 were found guilty of anti-riot law violations that arose from activities during the Democratic National Convention in Chicago, Illinois, in August, 1968. Pending an appeal, they were released on bond by the United States Court of Appeals, Chicago, Illinois.

Permission was granted the Youth International Party to conduct a parade on June 29, 1972 from 2 PM to 5 PM. The parade was to form on Washington Avenue in front of the Convention Hall and conclude at the Par 3 Golf Course parking lot. The individual who reportedly was given this permit on behalf of the Youth International Party had the name of JOSEPH C. BYRNE, 6801 North Kendall Drive, Miami. The parade permit reflected there would be approximately 200 marchers and the date of the application was June 26, 1972.

[REDACTED] Jkw

On June 29, 1972, YIP staged a one hour anti-war protest at Miami Beach, Florida. This consisted of a

disorganized march from the front of the Miami Beach Convention Hall to the Par 3 Bayshore Golf Course. About 45 persons participated, although at times the line of march exceeded 150, mostly "teenie boppers", or real young teen-agers who followed along. The marchers carried numerous placards bearing anti-war slogans, such as "Will the U. S. Army occupy Miami Beach this summer?", "War Ain't Healthy", "Free Martha Mitchell", "NIXON Is A Sneaky Goy", "War Ain't Right".

During the line of march the participants staged a show with an anti-war theme. Several of the marchers were in costume and reportedly imitated MARTHA MITCHELL and President NIXON.

At the beginning of the gathering in front of Convention Hall, Miami Beach Mayor CHUCK HALL appeared in his white Rolls Royce convertible and praised the demonstrators for their peaceful actions. Mayor HALL indicated to them that he had been trying to get a golf course for them, and the best way they could do it was by the law.

The march started out with some anti-war singing with obscenities, but this was cut down somewhat at the request of the Mayor. A short mock meeting was held representing the Miami Beach City Council.

JERRY RUBIN was dressed in what was reported to be a bathing suit but was actually long underwear and was one of the predominant individuals in this affair.

The marchers concluded the march at the Par 3 Golf Course where they were welcomed by senior citizens carrying a placard "Senior Citizens of Miami Beach Welcome To Non-Delegates With Love".

CONFIDENTIAL

~~CONFIDENTIAL~~

RE: YOUTH INTERNATIONAL PARTY

The marchers were escorted by policemen on motorcycles. It was peaceful and there was no disturbance of any kind. JERRY RUEIN, who is considered the leader of the YIP movement in Miami, indicated he was pleased with the march and demonstration because of the coverage it received by local and national news media. The only regret of the YIP members, including JERRY RUBIN, was that possibly the march was too long and that Mayor CHUCK HALL of Miami Beach had gained too much of the "spot light" in comparison with themselves.

RE: YOUTH INTERNATIONAL PARTY

KATHIE STREEM is very active in the YIP movement and wrote an article called FORE! YIPPIES MARCH IN MIAMI BEACH. This article is as follows:

FORE! YIPPIES MARCH IN MIAMI BEACH

BY KATHIE STREEM.

FOR ABOUT TWO MONTHS NOW, MOVEMENT GROUPS HAVE BEEN NEGOTIATING WITH CITY OFFICIALS OF MIA MIAMI BEACH FOR CAMPSITES AND FACILITIES FOR NON-DELEGATES COMING TO THE CONVENTIONS THIS SUMMER. A LOT OF TALKING WAS ABOUT ALL THAT CAME OUT OF THE MEETINGS AND ALL THE ACTION TOOK PLACE INSIDE AIR-CONDITIONED OFFICES. ON JUNE 29, THE YOUTH INTERNATIONAL PARTY, FRUSTRATED AND RESTLESS FROM WEEKS OF BORING NEGOTIATIONS, DECIDED TO TAKE THE ACTION TO THE NEER STREETS. IT HAD NEVER BEEN DONE IN MIAMI BEACH BEFORE.

SO ON THE 29TH OF JUNE, THE FIRST DEMONSTRATION IN THE HISTORY OF THE CITY WAS CALLED AND AT LEAST 500 PEOPLE CAME OUT IN THE 95 DEGREE WEATHER TO PARTICIPATE. IT WAS ONE OF THE MOST COLORFUL AND IMAGINATIVE GUERILLA THEATRE MARCHES TO COME OUT OF THE MOVEMENT IN A WHILE -- FILLED WITH COSTUMES, STAGE MAKE-UP AND UNIFORMS OF POLITICAL SIGNIFICANCE.

MARTHA MITCHELL, CARRYING A DISCONNECTED TELEPHONE AND BEARING SCARS AND BLACK-AND-BLUE MARKS ON HER LEGS (OBVIOUSLY FROM BEATINGS BY HER HUSBAND) ANNOUNCED THAT SHE WAS FORMALLY JOINING THE YIPPIES, AND JOINED POLICE CHIEF ROCKY POMERANCE, UNCLE SAM, GENERAL CREIGHTON C. BLACKMARKE JERRY RUBIN, A GI AND SPACE WOMAN (THE FIRST YIPPIE-WOMAN-ASTRONAUT) IN THE FRONT OF THE MARCH. MAYOR CHUCK HALL

OF MIAMI BEACH PULLED UP IN HIS ROLLS ROYCE AT THE DESIGNATED STARTING POINT, CLAIMING HE HAD BEEN INVITED. MAYOR HALL BEGAN TO LEAD THE MARCH HIMSELF, WITH THE PRESS DROOLING ALL OVER HIS BEAUTIFUL, SUN-TANNED FACE, UNTIL DISGUSTED YIPPIES POLITELY ESCORTED HIM TO THE MIDDLE OF THE LINE, WHILE OTHERS SCREAMED: "WE'RE NOT GOING TO FOLLOW THE MAYOR, NO MATTER HOW NICE HE IS!" HALL ~~NEVER~~ DIDN'T WANT TO STAY IN FRONT ANYWAY, WITH 500 PEOPLE BEHIND HIM SHOUTING "1-2-3-4- WE DON'T WANT YOUR ~~WAR~~ WAR!" THE MAYOR GAVE A BRIEF LECTURE ON OBSENITY BEFORE LEAVING, AND THE CHANTING BECAME LOUDER.

THE MARCH WENT FROM THE CONVENTION HALL TO THE PAR-THREE GOLF COURSE, WHICH SEEMED LONGER THAN A MILE IN THE EXTREME HEAT. APPROXIMATELY 150 SENIOR CITIZENS WAITED AT THE GOLF COURSE FOR THE SWEATY DEMONSTRATORS HOLDING A HUGE BANNER SAYING "WELCOME NON-DELEGATES." THE RALLY AT THE GOLF COURSE WENT ON FOR ABOUT AN HOUR WITH SPEECHES FROM SENIOR CITIZENS, YIPPIES AND, ONCE AGAIN, MAYOR HALL (HE JUST WOULDN'T LEAVE!). THE OLD PEOPLE CRIED AS THEY SPOKE OF WAR ATROCITIES AND HELD POCTERS (WHICH THE THEMSELVES MADE) PLEADING: "SEND OUR SONS HOME---END THE WAR NOW!" THEY ALSO PLEDGED THEIR SUPPORT OF NON-DELEGATES COMING DOWN THIS SUMMER IN A MOST GENEROUS MANNER -- "GIVE THEM ANYTHING THEY NEED."

JERRY RUBIN, ATTIIRED IN RED UNDERWEAR AND CARRYING A

"FREE MARTHA MITCHELL" SIGN, STARTLED THE MAYOR BY ANNOUNC-
ING THAT YIPPIES PLAN TO SLEEP ON THE GOLF COURSE MONDAY NIGHT
(THIS WAS THE CAMP-SITE ORIGINALLY REJECTED BY THE CITY
COUNCIL, THOUGH THE DECISION IS EXPECTED TO BE REVERSED).
ED SANDERS WAS DRESSED UP AS GENERAL CREIGHTON C. BLACKMAR
AND PASSED OUT SMALL PACKETS OF WHITE POWDER LABELED
"CIA HEROIN." HE ALSO READ POETRY:

I AM GENERAL CREIGHTON C. BLACKMARKET
I BOMB NORTH VIETNAM WITHOUT
THE APPROVAL OF CIVILIAN AUTHORITIES

I AM THE MILITARY-INDUSTRIAL-HEROIN COMPLEX
I AM HEROIN
IN GRADE SCHOOLS
BROUGHT HERE BY CORRUPT
U.S. OFFICIALS IN SOUTHEAST ASIA

I AM THE WHEEL OF DEATH
SPINNING THROUGH
THE MINDS OF THE YOUNG.

AND STEW ALBERT, WHOSE SIGN READ "MARTHA MITCHELL NEEDS
CHICKEN SOUP", ALSO WON THE HEARTS OF THE OLD WITH HIS
SPEECH: "WE ARE NOT MARCHING ONLY TO HAVE A GOOD TIME AND
TO GET NIXON UPTIGHT, BUT TO SHOW OUR SOLIDARITY AND LOVE
FOR THE VIETNAMESE PEOPLE, WHO HAVE ~~XXXXXXXX~~ INSPIRED US
TO FIGHT BACK." ALBERT, A FORMER CANDIDATE FOR SHERIFF
IN ALAMEDA COUNTY, WAS FREQUENTLY INTERRUPTED BY MAYOR HAL
WHO KEPT SHOUTING, "THAT'S RIGHT SHERIFF!" ALBERT SNAPPED
BACK, "JUST REMEMBER, A SHERIFF CAN ARREST A MAYOR!" AND

THE CONCERNED LIBERAL FINALLY LAPSED INTO SILENCE.

THE RALLY BROKE UP WHEN A GROUP OF YIPPIES AND SENIOR CITIZENS DECIDED TO "SHOOT A FEW HOLES OF GOLF AND BLOW THEIR MINDS."

RE: YOUTH INTERNATIONAL PARTY

Members of YIP held a free-share picnic at Lummus Park on July 2, 1972, primarily to get the senior citizens to come over to the YIP way of thinking. About a total of 600 people were there, 300 of which would normally be at the park on a Sunday afternoon and probably about 300 turned out to see what was going on. There was no violence, although there was a little problem about some of the older senior citizens trying to grab up too much food and jamming it into sacks. There were probably about 18 to 20 members of YIP there and most of the collective and a spokesman, JEFF KNIGHTBYRD, indicated to the senior citizens that the picnic was aimed at dispelling "scare" rumors and debunking of talk of crime in the streets. Also, KNIGHTBYRD had indicated that the YIP group would even go further than supporting a non-violence pact proposed by RENNIE DAVIS and the Coalition for Peace and Justice. KNIGHTBYRD indicated that the YIPs thought there had been too much stress on violence and that a peacefulness pact is better than a non-violence pact.

The Youth International Party held a demonstration at La Gorce Country Club, Miami Beach, from 11 AM to 12 Noon on July 6, 1972. The demonstration consisted of 78 individuals carrying signs as follows:

- "TRICKY DICK RIDES AGAIN"
- "UNCLE HO IS A MENCH"
- "TERMINATION OF DISCRIMINATION"
- "YIPPIES AND YIDDLES"
- "LET OUT PEOPLE IN"
- "MARTHA MITCHELL NEEDS CHICKEN SOUP"
- "DAY CARE NOT COUNTRY CLUB - YIP"
- "SUPPORT JESUS CHRIST - SUPER JEW - LET OUT PEOPLE IN"
- "SUPPORT OY JEWISH CONSPIRACY"

RE: YOUTH INTERNATIONAL PARTY

The demonstrators were supported by a few members of the Students for a Democratic Society and just prior to the demonstration, a U-Haul rental van, passenger size, came in bearing a New York license plate which had on it written SDS. The demonstrators walked up and down on the sidewalk by the entrance and exit to the country club for about 20 minutes and then spoke to the news media for a few minutes. They proceeded with their signs into the rear parking lot of the club and again talked to the news media. The spokesman and STEWART ALBERT who spoke about Jews and blacks not being admitted to La Gorce Country Club and discrimination in general. In addition, there were a few Jewish senior citizens, one of whom spoke about there being discrimination at this country club. This person said he could not be a member of the club because he was circumcised. The only Negro there mentioned going into the club, was was told by Major PHILBIN that if he did so he would be arrested. He did not go in. The group disbanded and left at noon.

Also attending were three concerned religious leaders who wore red armbands for the purpose of helping to maintain order and control the situation.

Students For a Democratic Society (SDS) was founded during 1962 at Port Huron, Michigan, and in the 1960s functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participating democracy," SDS moved to a radical-revolutionary

position with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June, 1969, which resulted in the following three factions:

Weatherman;
Worker Student Alliance (WSA);
Revolutionary Youth Movement (RYM)

The Weatherman and RYM are no longer affiliated with the SDS. The WSA continues to use the name SDS and maintains its national headquarters at Boston, Massachusetts.

The demonstration at La Gorce Country Club, Miami Beach, which took place on July 6, 1972, was actually promoted and put on by the YIPs.

The Youth International Party sponsored a free share feast with "the senior citizens, non-delegates, and the whole community" to be held at 6:30 PM, Sunday, July 9, at the Flamingo Park Baseball Field, Miami Beach. It was stated there would be an "acre of watermelons sculptured as NIXON's face" for you to "devour." In addition, the YIPs have decided to support the smoke-in which is to be in the late afternoon or evening of July 9. This smoke-in

is primarily a project of the Zippies, the off-factin of the YIP headed by TOM FORCADE and PATRICK SMALL. Numerous members of the Zippies passed the hat at Flamingo Park on a continuous basis to try to collect money for the smoke-in. The plans were that there would be a program about 10 PM on July 9, 1972 on the patio of Lummus Park Auditorium, Miami Beach, at which ALLEN GINSBERG and ABBIE HOFFMAN would appear. Plans also called for a "wedding of the generations" further described as a symbolic joining of the old and the young. The SCLC was placed in charge of matters at Flamingo Park as far as rules were concerned by the Miami Beach City Council. The YIPs had a meeting and indicated they would not sign any SCLC agreement. In connection with the various groups at the Flamingo Park camp site, the Gay Activists Alliance, the Vietnam Veterans Against the War, and the Miami Conventions Coalition, all indicated they would not sign any agreements of SCLC. The Yippies do not want any "Jesus freaks" preaching around the camp site and this also was a problem with other various groups at the Flamingo Park camp site.

 ⁷
The Miami Conventions Coalition was formed at a national meeting in Washington, D.C., on May 20, 1972 as a coalition of groups planning protest activities at the Democratic and Republican National Conventions.

The Southern Christian Leadership Conference founded by the late Reverend MARTIN LUTHER KING, JR., is headquartered at Atlanta, Georgia.

On Sunday, July 2, 1972, a picnic was held at 9th Street and Ocean Drive, Miami Beach, which was primarily put on for the senior citizens. There were about 75 Yippies and about 400 people altogether. The senior citizens outnumbered the Yippies by a ratio of about four to one and it was held by the Yippies basically to get the support of the senior citizens or older people in Miami Beach. During the picnic, PATRICK SMALL with five followers appeared and attempted to solicit money for the Zippies. At this time someone connected with the Yippies made a speech to the effect that PATRICK SMALL and his group were no longer part of the Yippies and PATRICK SMALL departed. There were no problems in connection with this picnic and after it was over the area was cleaned up by the Yippies.

The free share feast scheduled for Sunday, July 9, 1972, was held and food, particularly watermelons, distributed by the YIPs to the senior citizens. There was no violence in regard to this affair.

On July 4, 1972, shortly before 2 PM, approximately 25 to 30 individuals gathered at a canal located at

Dade Boulevard and Washington Avenue in Miami Beach. Flowers were strewn into a canal at that location and a small casket floated on the water as symbolic reference to the death of NGUYEN THAI BINH, a Vietnamese killed during a hijack attempt during the previous week. The group departed this location at about 2:30 PM and marched one block to the Miami Beach Convention Center where they again gathered and passed out a pamphlet criticizing the killing of THAI and in general United States involvement in Vietnam. Members of the Youth International Party along with some other groups, participated in this matter.

On July 9, 1972, from about 2:30 PM, a smoke-in was held at Flamingo Park which was promoted by the ZIP faction of the YIP and supported by YIP. There were about 200 or 300 in the smoke-in and they marched from the park to the Convention Hall. There was smoking on the way and by the time the marchers reached the Convention Hall, there were about 800 or 900 people. Many of them joined the line of march as it proceeded. After being there for a short time they marched back towards Flamingo Park. There was no violence, no arrests, and it was a peaceful affair. The smoke-in is actually more or less a continuous type of thing going on at Flamingo Park.

There is a break-up in the leadership of the ZIP faction and it appears there is a great deal of dissension in having TOM FORCADE and PATRICK SMALL as the leaders of the ZIP faction.

The YIPs and the ZIPs published an article which referred to a march and demonstration to be held on July 11, 1972. This also related to some additional plans.

"At high noon today, Tuesday, the YIP/Zippie pulls down the zippers of the candidates.

"Assemble by the Flamingo Park stage for the 'Know your candidate parade' to the convention center and beyond. The entire march route will consist of right turns to honor George McGovern's recent back peddling on the issues of 1972 such as pot, abortion, military spending, and Donald Duck.

"Once at the convention hall, there will be the 'laugh-in for Muskie', a 'yawn-in for Wilbur Mills', a 'took-in for Chisholm', and an 'egg-in for humpty dumpty'. Experts will once again attempt to put humpty dumpty back together again. The 'put Teddy in the driver's seat brigade' will also dedicate the moat on the north side of the convention complex, the 'Mary Jo Kopechne causeway'. Symbolic steering wheels will then be emersed in the stream.

"A Wallace wheelchair race to the oceanfront will follow pursued by mask-wearing members of the Bremer Defense League. Once on the beach, it will be sink or swim for the washed-up George.

"At 3:00 PM on Tuesday, if we survive all of the above, we'll conduct an 'abortion and prison reform march' from Flamingo Park to the convention hall. We'll graphically dramatize women's rights and need for abortion upon demand. The Zippies will also call for the total integration of the U.S. prison system and its several million population back into the mainstream of American society. Our solution to that problem is simple, 'declare all of Amerika as a jail'.

DANA BEAL, who is active in the Zippies, did a lot of talking at Flamingo Park and indicated that the forces would have to be organized if they wanted to defeat NIXON and his capitalistic pigs. This occurred on July 11, 1972. They also talked about getting wheelchairs ready for the "Wheelchairs for Wallace" parade. Some of the most active individuals in this demonstration were PATRICK SMALL, JOHN MATTES, and TIM SLATER. During the march some ART BREMER masks were worn, and ART BREMER is the individual who was involved in the shooting and attempted assassination of Governor WALLACE.

TOM FORCADE, who has been the leader of the Zippie faction along with PAT SMALL, also was active in this march, which consisted of about 400 people. The march went to the Convention Hall area and a WALLACE wheelchair was thrown over the fence. The demonstrators then went to a bridge over a creek outside the hall and had a false TED KENNEDY attack by throwing a wooden steering wheel in the water and singing "Bridge Over Troubled Waters", and naming the moat "Mary Jo Causeway". There was quite a bit of obscene language used, some of which was on posters. They were predicting anywhere from 20,000 to 40,000 people for the Republican Convention. There is a great deal of strife between the Yippies, the Zippies, the VVAW, the Gay Activists, and the Jesus Freaks at Flamingo Park.

On July 11, 1972, a demonstration was held at the Doral Hotel, Miami Beach, which hotel is the headquarters of Senator MC GOVERN, Presidential candidate. The demonstrators arrived at about 2:15 P.M., and there were about 100 at this time. The demonstration was organized in place of the proposed SDS demonstration at the Miami Beach Police Department, which had originally been scheduled for 2:00 P.M. This alternate demonstration had been organized by SDS, the Zippies, Southern Christian Leadership Conference, WAM, and other groups present in the Flamingo Park area. By 3:00 P.M., the number of

individuals at this demonstration had risen to 400 to 500. The demonstrators attempted to enter the door of the hotel, to begin with, but were turned back by the Florida Highway Patrol and members of other local police agencies. However, law enforcement personnel were requested by the MC GOVERN delegation and hotel management to allow the demonstrators to continue their actions. Subsequently, the demonstrators again approached the hotel lobby and were allowed to enter. About 300 of them got into the lobby, occupied the lobby, and moved into a ballroom off the lobby. The general purpose of the demonstration was to get Senator MC GOVERN to speak to them concerning his policies on Vietnam and on tax reform. The SDS group also wanted MC GOVERN to sign their anti-racism bill. The overall group wanted to express their feelings to MC GOVERN concerning an incident on July 9, 1972, when a black woman was struck by an automobile being driven by E. C. RAVENHOLT, a HUMPHREY delegate and administrative aide to Senator INOUYE of Hawaii. They wanted RAVENHOLT to be held responsible and assume all liability for the expenses incurred by the accident victim.

During the course of the demonstration, at about 5:20 P.M., about 15 to 20 Gay Activists came into the lobby and were chanting, "Justice for Gays". At approximately 5:30 P.M., MC GOVERN was given fifteen minutes to come down and speak to the demonstrators or they threatened to go up into the hotel. This ultimatum was apparently forgotten temporarily as no action was taken to get MC GOVERN to the lobby. During the course of the demonstration, the SDS maintained an open microphone and anyone who felt the urge, was allowed to speak to the group. Some of the speakers were MARTIE RIEFE of SDS, the Reverend PETER JACKSON of the Southern Christian Leadership Conference and PRICE JACKSON of the Workers Action Movement. Many other speakers also spoke during the demonstration. At approximately 8:20 P.M., Senator MC GOVERN came down to the lobby of the hotel to speak to the crowd. MC GOVERN spoke for approximately thirty minutes and answered questions from the group. MARTIE RIEFE of SDS was very vocal during this period and attempted to get Senator MC GOVERN to sign the SDS "anti-racism bill", which he refused to do.

After MC GOVERN left, the crowd began to disperse. There was no violence and there were no arrests in connection with this demonstration.

On July 11, 1972, the Zippies, accompanied by some Yippies, had a march and demonstration known as "Know Your Candidate Parade". It started at Flamingo Park and proceeded to the Convention Center and at the Convention Hall area, they had slogans such as "Laugh-In for Muskie", "Yawn-In for Mills", "Toke-In for Chisholm", "Egg-In for Humpty Dumpty". Also they talked about "Putting Teddy in the Driver's Seat", and talked about a moat on the north side of the convention complex as the "Mary Jo Kopechne Causeway". The demonstration ended with a Wallace Wheelchair Race. There was a substantial crowd and numerous demonstrators from other factions joined in. There was no trouble or violence.

On July 11, 1972, the Zippies participated, along with several other groups, in a demonstration at the Doral Hotel, Miami Beach, and it started around 1:30 P.M., with around 100 people. Later in the afternoon and evening, it swelled to about 500. The purpose of this demonstration was (1) for MC GOVERN to speak to them about his statement that he was going to leave a residual corps of troops in Vietnam, (2) they wanted MC GOVERN to sign and endorse the SDS anti-racism bill, and (3) they wanted to make their feelings known about an incident on July 9, 1972, when a black woman was struck by an automobile driven by E. C. RAVENHOLT, a HUMPHREY delegate and administrative aide to Senator INOUE of Hawaii. Late in the afternoon, about 20 Gay Activists entered the lobby and were cheering "Justice for Gays". MC GOVERN eventually appeared and talked to them later in the evening, and the Zippie spokesman was DANA BEAL, who grabbed a microphone and asked MC GOVERN about heroin. Several organizations were represented, and they took turns asking MC GOVERN questions. There was no violence and no arrests.

RE: YOUTH INTERNATIONAL PARTY

The Zippies went to the Victor Hotel around 5:30 P.M., and about 80 of them took over the lobby and insisted MC GOVERN come to see them. The Victor Hotel is the Young Democratic headquarters. The reason for this demonstration was that they thought MC GOVERN had compromised himself on his former stand on tax reform and Vietnam. By 7:30 P.M., the Zippies left the hotel. No representative of MC GOVERN appeared. There were no incidents.

The Zippies are not going to demonstrate at the Fontainebleau Hotel on July 13, but instead plan an "Eat the Rich Day", and they will do this about 8:00 P.M., leaving Flamingo Park for the Convention Center. They intend to push an old Cadillac to the Center and set it afire. It is believed a lot of them will depart Miami on Sunday, July 16, 1972. *fu*

 *fu 670*

The Zippies conducted an "Eat the Rich" march and demonstration on the evening of July 13, 1972. This was actually a combined YIP-ZIP march, and they carried a large blown-up portrait of LYNDON B. JOHNSON. This was done in place of the original idea of burning the old Cadillac belonging to TOM FORCADE at the convention site. At the convention site, there were about 250 of these demonstrators, and they burned the portrait of LYNDON B. JOHNSON and took a vote on whether or not to crash the fence. This vote was conducted by PATRICK SMALL of the Zippies, and they voted against it. Zippie leaders TOM FORCADE and PATRICK SMALL appeared to be the leaders of this march and demonstration.

On July 12, 1972, the Zippies demonstrated at the Victor Hotel, Miami Beach, where the Young Democrats headquarters are located. About 100 in number, they

On July 6, 1972, PATRICK SMALL was sentenced in Municipal Court, Miami Beach, Florida, to 90 days in the Dade County Stockade. The execution of sentence was stayed, and bond was recommended at \$1500.00. This was in connection with a disorderly conduct charge as a result of PATRICK SMALL's throwing a pie at Councilman ROSEN at the meeting of the Miami Beach City Council on June 23, 1972.

On July 10, 1972, the Zippie faction of the Yippies marched to Miami Beach Municipal Court in support of PATRICK SMALL, who was to appear before the court on charges of disorderly conduct relative to throwing a pie at Councilman ROSEN of the Miami Beach City Council a few weeks previously. The failures of the Nixon Administration affect all of us. This summer people from all across the country will be coming to Miami Beach to show the world that we will not tolerate four more years of Richard Nixon. ten days to change the world.

~~CONFIDENTIAL~~

The Youth International Party invites everyone in the United States to come to Miami Beach for a Celebration of Change, to occur from July 10 to July 14 and August 1 to August 24. We will create, in Miami Beach, a political-cultural demonstration of benign and peaceful magnitude-- a zone of sanity and sharing for inspired Americans of many persuasions. Together in this joyous unity we will plans to disturb the coming machine-like tread of the Republican kingmakers.

The United States is rapidly becoming a nation doomed by its own monied corruption, violence, racism, pollution and amoral materialism. Congress's strength is ripped off by arrogant, macho power-brokers in the Executive Branch promising no future for us but a decadent Roman Empire.

The Youth International Party strongly suspects that Richard Nixon is possessed by such an intense personal need for the nations of the world to grovel before his war-room throne, that the convolutions and revolutions of the world, in the months to come, may cause him to join the society of foamy-mouths.

Baleful winds of repression wait to be unleashed from the dark caves of the Republican Party. Everywhere bit crowds of American citizens view the corruption and ill wars of the government with total revulsion. War, social slavery, sexism, racism are peddled and packaged by mor capitalist conglomerates as the true America. If that is America, there is nothing for an American citizen to look forward to but a long life of pain in a fearsome valley of robot violence.

The Youth International Party gathers for resistance and change. We are the direct descendants of a freedom and justice seeking people which links us with every century with every decent cause, with every plant and mammal that ever lived.

~~CONFIDENTIAL~~

We are freedom and sharing

We are women and men reborn in change

We are socialism

We are the grain

We are the sunflowers reaching to the sun

We will change our country by any means necessary

We are freeshare

There is nothing for America but floating platforms of war over dead jungles unless we rise up in a wave of change. We have an inalienable right to cross state lines to share, to seek peace, to speak against war, to demand honesty in our government and to command ourselves in our own ways of freedom. We will not let our country be taken over by a fierce, elite, jaded caste of bloodmoney-hungry power-brokers living the life of the damned. We stand atop the seawall of ecology, freeshare and change. We stand at the barricades of decency and beauty.

We want change !

We want to change the environment !

We want to change the economy !

Change the government !

Change the culture ! Change your spirit !

Change your diet ! Change your sex !

Ex-change everything !

We will gather near the convention site to point toward the deep change American civilization must undergo in order to create peace in the world. We seek the immediate goal of freeing all political prisoners. We demand that women have complete control of their own minds and bodies. People will be free to express their sexuality in peace and joy. Restrictive laws against marijuana will end, and the military economy will be dismantled.

We will continue changes with unconditional amnesty for draft refusers and from those who managed to escape from the grasp of the armed forces. We will demand a total end to all racism, to all sexism, and to the class system which leaves one of every four Americans impoverished in resources and spirit. We will seek to end the American tax system which spares the rich while burying the working person beneath a mountain of cruel and evil taxation.

We are taking every step to create ten days of peaceful openness and positive action, not to mention music, water and fun in the sun. We will only have peace. With great energy, the Youth International Party is negotiating with city, county and federal officials as well as the two political parties. Use of public facilities and parks has already been offered us.

A Pledge to Non-Violence & Harmony

There has been a great deal of fear generated from various sources about the possibility of mass violence during the Democratic Convention. The Youth International Party - Zippie hereby pledges to work for non-violence during the conventions.

Back in December, when the Zippies became the first organization to call people to Miami, we originated the strategy of non-violence during the Democratic Convention. In our literature, we have consistently emphasized the necessity for non-violence. In our planning meetings, we have repeatedly addressed ourselves to the planning needs for non-violence. In our meetings with the police and other officials, we have made it clear that irregardless of what other movement groups may do, we will remain committed to non-violence. In our meetings with other movement groups, we have argued logically that we have nothing to gain from mass violence.

The motto of the Zippies is "We Mean Business." And it is true that we are considered the militant pranksters of the movement. Therefore, we believe there are many more creative and effective ways to make our points than with mass violence.

There are going to be many forces attempting to provoke violence at the Convention. Our Zippie staff astrologer has found the dark moon Lilith is in the 6th house, opposing Mars in the 12th during the Convention, which further indicates this. A casting of the I-Ching tells the same story.

But we would like to make one thing perfectly clear: No one is going to push the Zippies of the Youth International Party into a riot.

**SOMETHING IS HAPPENING HERE,
WHAT IT IS AIN'T EXACTLY CLEAR...**

**"It's easier to hate in Amerika than to love."
— Weather proverb**

The Youth International Party-Yippies have repeatedly denounced anyone who disagreed with them as "police provocateurs" through the straight media. Meanwhile, they have been spending much of their time either massaging their egos in front of the media or attacking the Zippies.

Back in January, the Youth International Party held its national congress and chose the theme "Zippie! in '72" to distinguish between us and the old Yippies (then retired). Since then, we have built toward Miami with rallies, demonstrations, smoke-ins, concerts, benefits, regional traveling, newspapers, news services, leaflets, stickers, posters, ads, T-shirts, buttons, balloons, press releases, statements, position papers, press conferences, etc. We put together a national network of people, including the various Y. I. P. chapters and regions. We believe in an on-going organization controlled by the workers cultural revolution, and a serious struggle against imperialism, racism, sexism, and elitism, in a context of cosmic good times. Aside from our demonstrations for prison reform and abortion reform, we believe in filling the swimming pools of the Fountainbleau with jello, putting Ted in the driver's seat, hiring the handicapped (Zippies for Wallace), and a March for McGovern that would be all right turns. And we are having LBJ Day on July 12. The Demos would like to forget LBJ, now that they have a new glamour boy, but we won't let them.

Meanwhile, a vicious campaign of McCarthyite tactics has taken place against the Zippies, calling us "police provocateurs" at press conferences, etc. A lot of people are asking why? The Yippies have been very divisive. We have not generally responded to their McCarthyite tactics, but we're tire of being called police provocateurs. Now we would like to raise a few questions of our own: The Yippies seem to have a lot to protect. What? We don't have the answers. Maybe the Yippies do.

1. What was the nature of the secret meeting between Stew Albert and the McGovern people in Washington, D. C. May 7, 1972?

F.O. box 132 Miami 33142

(305) 444-51

2.

2. What was the reason for the sudden formation of a so-called Y. I. P. collective on May 3, 1972, when previously Hoffman and Rubin had repeatedly stated that they would be inactive?

3. The Yippies have taken a series of suites on the top floor of the Albion Hotel for the summer. Where did the money come from, and why is it being wasted on decadence when the Yippies have utterly failed to spend money on real needs?

4. The Yippies have a large plush office in the Miltown Medical Center which they have taken for the summer, equipped with the latest office equipment. This office is usually empty and several rooms are unused entirely. It opens at 9 and closes at 5. Why is this office and equipment not being used for the movement or to relate to the community? Where did the money come from? Why is the money being wasted on carpets and panneling?

5. On June 8, Abbie Hoffman, Jerry Rubin, and Ed Sanders concluded a deal with Paperback Library, a subsidiary of the Kinney Corporation, a subsidiary of the Mafia, for a "quickie paperback to come out on September 20 about Miami. Their advance on this book was \$33,000. Where did the money go?

6. Hoffman, Rubin, Nightbyrd, Sanders, and others have been in N. Y. negotiating more book contracts. Sanders has already sold a book to Avon. Nightbyrd's Yippie Survival Manual has been offered to Paperback Library. Why are they spending all their energy marketing Miami and none on doing Miami? Where is the money going?

7. Repeatedly they have used their uniquely privileged access to the media to attack the Demo demonstrations and to attack other movement people. Why? They have repeatedly used the straight media to brand two members of Y. I. P. / Zippie and the Zippies in general as "police provocateurs or madmen". However both of these people have been in the movement longer than most people in the Yippies, are highly respected among those who have worked with them. The Yippies have never requested a security check on these people, and there is no indication that either of them are any crazier than any other movement person. Why are they continually using the straight media for character assassinations, which inevitably are confused with the position of the entire movement?

8. It was agreed that all negotiations with the city would be done by the Coalition. Yet, in a series of secret talks with the city and county last week, they separately made some kind of deal for the use of Lummus Park as the site for their "cultural fair." What did the Yippies give the city in return? Why did they negotiate secretly and separately? Why, other than granting the Democratic Party Flamingo Park as a "free speech" area, was the only other permit granted in Miami Beach given for the Yippies' event? How did they know the results of the city council meeting the night before it happened?

9. On June 15, the Yippies in a surprise press conference announced that they were cancelling plans for demonstrations during the Demo Convention and were beginning work on the Republican. Why? They did not consult anyone. Why? They attempted to leave the impression with the media that they spoke for the Youth International Party in toto, and the movement in general. Why? They have begun no work on the Republican Convention yet. Why?

Zippie? Yippie?

There has been some confusion in the press between the two organizations Youth International Party-Zippie! and Youth International Party-Yippie! We would like to get things straight. These are two completely separate organizations with utterly different politics and structure. Y. I. P. -Zippie! is the Youth International Party which has local and regional chapters and offices throughout the country. We believe in an ongoing organization, cultural revolution and struggle against imperialism, sexism, racism, elitism and ism-ism. This party has been in existence for several years and became known as Zippie! at the Youth International Party Congress in January, 1972, because we no longer wanted to be identified with the Yippies.

To avoid confusion, we have agreed with each other to be identified as Y. I. P. -Zippie! and Y. I. P. -Yippie! The Yippies have said and done many things which we do not want to be associated with, and vice versa. In particular, we oppose rhetoric, mass violence (Chicago), opportunism, personality cults and profiteering. We are a bottom-up organization for the people, not a top-down organization for the radical chic. We mean business.

When someone says they represent the Youth International Party, ask them whether they mean Yippie or Zippie. It makes a difference.

FOR IMMEDIATE RELEASE

Zippies officially announced in Miami Beach on June 15 the rescheduling of the 3rd annual Independence smoke-in. The smoke-in had been celebrated on July 4th for the past two years by tens of thousands in Washington D. C. to co-incide with "Honor America Day" activities there. This summer due to the energy, excitement & attention caused by the "gathering of the profligates in the Temple of the damned" at the M. B. Convention Hall, the date has been reset for Sunday, July 9th in Miami Beach.

The Zippies also revealed at their press conference that they had (with the help of a Cessna plane, part of the Zippie Air Force) reseeded the Bay Shore Golf Course. The secret refoliation was done the night of June 8th. Thirty pounds of the finest imported seeds were dropped during three low passes over the 18 hole course. Depending on the rains, the pot should flower just in time for the July 9th tokedown.

The Zippies explained: "Many of the coming conventioners are some of the same dinosaurs responsible for keeping cruel & inhuman pot laws on state books. Laws that every year are used to jail thousands of ghetto blacks & culturally alienated freaks. We'll take the issue directly to these men engulfed in our mushrooming cloud of cannabis smoke."

The smoke-in will be a Florida first. Besides openly getting high on the killer weed (generous quantities to be donated by the Marijuana Dealers Association MDA, the usual "parade of forty foot joints" & Smack Attack/Anti Heroin March to the convention Hall, is planned.

Qualified people & members of the Junkie Liberation Front will speak out against the documented involvement of the CIA in the S. E. Asian heroin trade. (CIA back Air America performs the scag shuttle service for the puppet/pusher South Vietnamese generals.) The Indochina junk is now mainlined into U. S. black & youth ghetto.

A host of rock n' roll bands & beach urchins will add to the tokedown's color & pageantry for the reefer worshipers.

To insure against a pot shortage Zippies advise everyone to "BRING YOUR STASH TO THIS MILLION DOLLAR BASH!"

A WORKSHOP: COMMUNITY ORGANIZATION OR... THE REVOLUTION IS EVERYWHERE

Community organization is one of the most effective tools of a productive revolution. Strong and complete unity with all of our brothers and sisters in every community in amerika not only makes for positive force on issues centering within the community, but it also lends toward a more forceful and massive gathering on nationally coordinated demonstrations and actions. Specifically, we must concern ourselves with the republican convention in Miami Beach - August 21-24. Our ability to create an awareness in the minds of all people through the use of amerikas' electronic mass-media jungle separates revolutionaries from outlaws.

One brother or sister with the right combination of community actions can, within a short period of time have a growing and conscious revolutionary movement alive in his or her community.

This booklet and its related workshop is condensed and far from a "how to do it in three easy steps" text for the amateur revolutionary. It can help build from scratch an organization capable of reaching many people before the Republican convention in August. It can also open lines of communication between established movement groups, and newly formed community organizations. Through this relationship we can collectively give Nixon an offer he won't be able to refuse.

Though we only have seven short weeks it is time enough to do the job that has to be done if we just

Keep it together. Lets get down to the business of the revolution. The workshop will be broken down into several areas of discussion.

- 1) Establishment of a name, title, and location of organization for the benefit of community and media.
- 2) Printed materials for distribution
 - A) press
 - B) community
- 3) Use of audio-visual media
 - A) television
 - B) radio
- 4) Relating to established organizations
 - A) movement groups
 - B) colleges, civic organizations, etc.

1) Name - Establishing a name for your organization is important, if you wish to attain public credibility. There are a number of revolutionary groups with established names and reputations. Thus by choosing one you can beat the time problem of establishing a new banner. Taking the name of another group does not necessarily obligate you to their procedures, but does make you responsible for their basic philosophy and position on common national issues. Pick an organization that has causes and philosophies similar to your own. If you decide to use the name of a nationally coordinated movement group, you can depend on them for assistance and advice. Keep in touch with the national office and coordinate closely with them.

Titles - Though titles are somewhat weird, they do provide individuals within the organization personal credibility with the media and the community.

Location - It is equally important to have a phone number accessible to all parties. The media will use the number to call brothers and sisters for information. Also the national movement groups will keep in touch on a regular basis. The F.B.I. will probably tape all messages free of charge. Don't get hung up on line taps, but be cool with dope raps and revolutionary actions that could be incriminating.

Wherever your phone is located is the best place to set up shop. It can be your bedroom, apartment, or even a store, rent in funds permit. Meetings will take place during the day and people will gather to rap. A certain amount of inconvenience always arises so keep humor up front and hostilities subdued.

2) Press statements and P.S.A.'s - Writing statements for the press is an easy job, but it is advisable to follow this form: Across the top of the paper put the name of your organization. Directly under the name either put "For immediate release" or "Public Service Announcement", depending on the type of release you are making. Always include the name of the organization and the phone number, this will enable the media to contact you for further information and interviews.

Distribution - To successfully distribute a press release you must first compile a complete list of media in the community. This list should include; locale newspapers, main city newspapers, underground publications, AM-FM radio stations, television, A.P., U.P.I., and underground news services. If you are totally unaware of the news agencies in your community it is advisable to check the yellow pages and the local chamber of commerce. The list should include the name of the agency, the address, phone, and the personal contact if any has been made. (If none is made be sure to try to get in touch with a sympathetic reporter)

Community Press - Starting a printing workshop
"Leaflets, posters, newsletters, pamphlets and other printed matter are important to any revolution. A printing workshop is a definite need in all communities, regardless of size. It can vary from using progressive alternative organizations' equip-

4.

ment to setting up your own printing workshop in a garage or spare room. With a small investment and some space, you can begin this vital service."

Distribution - In the beginning you should aim for bi-weekly leaflets, with a gradual increase in the amount of issues you begin to discuss and act upon in the community. Check out the local laws about distributing on the street. You probably should contact a sympathetic lawyer to discuss the questions of distribution and soliciting, although it is probably allowed, and is an effective way to reach the public. Representatives in High Schools and Colleges should be sought out. Bookstores, headshops, newsstands, rock concerts, and local hang-outs are good places to distribute. GOOD LUCK AND WRITE-ON!

3) Use of audio-visual media:-

Television - free communication - If you don't like the news make your own! "Creating free media depends to a large extent on your imagination and ability to follow through on ideas. Advertisements for revolution are important in helping to educate and mold the milieu of people you wish to win over.

Guerrilla theater events are always good new items and if done right, people remember them forever. For example: to dramatize the illegal invasion of Cambodia, 400 Yippies stormed across the Canadian border in a symbolic invasion of the U.S. The Emma Goldman Brigade recently attended a luncheon for Pat Nixon during which they sang original songs and released mice inside the banquet hall. Another tactic often applied is exemplified in the drying of public and private fountains - red, and then calling the press and telling them why.

Press Conferences - Another way of using the news

to advertise the revolution and the upcoming republican convention is to call press conferences. Use an appropriate place that has some relationship to the content of your message. Send out announcements to your whole press list compiled. Everything about a successful press conference must be dramatic and creative, from the announcements and phone calls to the statements themselves. Constantly seek to have every detail of the press conference differ in style as well as content from the conferences of people in power. Make use of music and special visual effects. The cameras start buzzing on your opening statement and often run out of film before you finish, so make it brief and action packed. Questions should be limited and answers short and quick. Don't over do it! The press can twist your answers around.

4) Relations - summary - The revolution is seven weeks away from the biggest project it has ever undertaken. It is going to require all of our energies from all of the people to throw Nixon out of Miami Beach and world politics. We are the revolution! To be successful we must be as organized, united, and creative as possible. But it won't work unless every community in the U.S. is aware and fully mobilized. An exchange of information concerning the republican convention is a good project to get started on. There are a lot of areas to be dealt with, and the distribution of work within your collective will allow for the maximum yield of constructive energies. Rides will be needed, survival information distributed, communication channels established, and a lot of grass roots and national organizing done to meet Nixon in Miami Beach in August with a solid opposition and condemnation, and present practical progressive alternatives to focus and voice our discontent....

FOR IMMEDIATE RELEASE

JUN 15, 1971

America stands at a cross-road. The government, against the will of the people, is waging a war of unparalleled brutality to support a corrupt dictatorship in Saigon. At the moment, U.S. planes bomb within 20 miles of China and the Nixon administration audaciously asks for even more tax money to be spent on war.

In this warfare state, the human needs of Americans go waiting. Unemployment leaps. Racial polarity intensifies. The Nixon Supreme Court strips individual liberties. The Justice Department regards the Bill of Rights as an alien document. Qualified women are kept out of positions of responsibility. Workers wages are frozen, while corporate profits soar. Nowhere is this disregard more evident than in Miami Beach, where the needs of older people for health care, adequate housing and dignity are ~~xxx~~ sacrificed for the Nixon policy of big business, big profits and war spending.

We insist there are human alternatives to the government's cold calculations. We sense the nation pauses to examine the paths ahead. We believe the Republican Administration will sacrifice anything, including the future of Miami Beach, to perpetuate its power.

For these reasons, the Youth International Party has decided to redirect its emphasis, and focus its activities at the Republican Convention. Our work here leads us to believe the Republicans would welcome a chaotic situation which would discredit the Democratic Party. Disorder would not serve the demonstrators' goal of a peaceful end to war, and it would endanger our grandparents' generation which lives here.

While changing our emphasis, we want to make clear we are not endorsing any candidate of the Democratic Party, nor are we endorsing the idea that the Democratic Party or electoral process can alone bring about the fundamental changes required to put America first. However, we see several progressive elements working among the Democrats, and will do everything possible to create a peaceful atmosphere where they can work unhindered. While we stand outside the Democratic Party, living and working in an alternative life-style, we will resist the Republican scheme to use us as scapegoats to promote a repressive society.

Our "Days of Change" during the Democratic Convention will focus on a cultural and artistic expression of new life possibilities. Many of the most famous artists in the country will be participating with people of the Miami area in a positive generation of life force against the death forces of war, competition, and the profit system. The Youth International Party will sponsor no marches, though we will participate in the planned peaceful demonstrations of our sisters and brothers. We plan a feast for delegates and non-delegates, a day of cultural enlightenment against the war, environments, dances, films and chanting. In response to the hundreds of calls we are receiving from throughout the country, we are now advising young people to think first of the Republican Convention. We are encouraging non-delegates coming to the Democratic Convention to be self-sufficient, and to participate in workshops now planned, so they can return to their local communities and build for a massive turnout at the Republican Convention.

More than a month ago we began contacting city officials, explaining to them our peaceful intent, and asking for cooperation in avoiding another Chicago. Some officials have been far-sighted, others have been ostentatious ostriches with their heads in the sand. Some moss back officials regard first Amendment rights as the privilege of the well off; they would deny those without money for hotel rooms their rights to express their feelings. Despite the good will of several officials, we still have made no concrete progress at taking care of the human needs of the non-delegates.

Our enemy is time. As each day passes, planning becomes more difficult and chaos more likely. The Youth International Party, in taking this bold new initiative, has demonstrated its good faith and peaceful intent. Responsibility now lies with the Republican Administration and local officials.

DEMONSTRATION IN AREA OF PRESIDENT NIXON'S
SUMMER WHITEHOUSE, KEY BISCAYNE, FLORIDA,
AUGUST 9, 1972

After obtaining a permit from the Miami Police Department on August 8, 1972, the Youth International Party Arranged a caravan which left Flamingo Park, Miami Beach, about noon on August 9, 1972. About 14 cars and 2 open trucks were involved and it proceeded to the vicinity of President NIXON's Summer Whitehouse, Key Biscayne, Florida. As had been pre-arranged with the Miami Police, the vehicles were parked about 200 yards from the guardhouse which sets by the main road and leads to the Summer Whitehouse. The demonstrators marched to the site to the strains of Yankee Doodle, carrying a Viet Cong flag in front. There were about 70-80 demonstrators and they gathered on the yard across the road from the guardhouse. The demonstration lasted from about 1:10 PM - 1:40 PM. The demonstrators had signs "The Mad Bomber"; "NIXON's Victory, Our Defeat"; "Only Pawns in Their Game"; "This Country is too Young to Die"; and "Where is the Peace You Promised?".

Immediately after gathering in a circle across from the guardhouse, a "People's Indictment" was read. This indicted RICHARD M. NIXON of high crimes and misdemeanors and violation of the U.S. Constitution, the duly enacted laws and principles of the United States, the United Nations Charter, United Nations Resolutions, the Geneva Accords, the Hague Convention and the Nuremberg Treaty. Count I referred to massive bombardment of civil targets, ecological and genetic warfare, use of weapons outlawed by the Geneva Convention, use of incendiary devices and other acts of warfare at civilian population. Also violation of the laws of the United States and crimes against the people of the United States. He was charged with murder and conspiracy to commit murder as follows: murder of black freedom fighters; murder of prisoners in prisons in the U.S.; murders of students at Kent and Jackson State; murder of protesting citizens; murder of GI's and civilians by heroin; murder of women by abortions.

After the reading of the indictments a guerrilla theater was held. First a demonstrator with a mad bomber sign pretended he was bombing Vietnam and the dikes. After this the song "My Country T'is of Thee" was played. JERRY GORDE, dressed as a soldier, faked killing persons with a rifle. A fake abortion was held to clarify murder by abortion. KEN WASHBERGER took the part of the abortionist. One demonstrator, LESLIE BACON, was dressed in black with a white face, carrying a cutout head sized picture of President NIXON on a stick and she danced around. LESLIE BACON was supposed to be simulating evil feelings. At the conclusion the music of the Star Spangled Banner was played. No violence occurred and no arrests were made. The demonstrators then proceeded back to their vehicles and departed. In connection with the above demonstration, the affair drew very few spectators as it was held in strictly a residential area.

[REDACTED]

On August 9, 1972, a demonstration was held directly across from the guardhouse which leads into President NIXON's Summer Whitehouse, Key Biscayne, Florida. About 70 or 80 participated and it was put on and sponsored by the Youth International Party. The demonstrators came to the site in 2 open trucks and some cars and parked about 200 yards from the guardhouse and then marched down with a Viet Cong flag in front to the strains of Yankee Doodle. The following signs were carried during this short march and held up and used during the demonstration: "The Mad Bomber"; "NIXON's Victory, Our Defeat"; "Only Pawns in Their Game"; "This Country is too Young to Die"; and "Where is the Peace You Promised?". At the site they gathered in a circle directly across from the guardhouse entrance and read "Peoples Indictment". After reading the indictment, a guerrilla theater was held. A demonstrator with a mad bomber sign pretended he was a plane bombing Vietnam and the dikes. Immediately after this the song "My Country T'is of Thee" was played. JERRY GORDE was dressed as a soldier and faked killing persons with a rifle. A fake abortion was held to clarify murder by abortion. stick danced around. At the conclusion, music of the Star Spangled Banner was played. Attending this demonstration were JEFF SCHERO, who is also known as Jeff Knightbyrd, and who has been a spokesman for the YIPs. GABRIELLE STRANG attended as did LESLIE BACON, SHARI RANDELL, a person known as STEPHEN, JERRY GORDE and CARL ZIETLOW. CARL ZIETLOW is connected with the MCC. Also there was a BARRY ROMO of the VVAW. There was no violence and no arrests in connection with this demonstration. The demonstration itself lasted only about 30 minutes, from about 1:10 PM - 1:40 PM.

The demonstration had also been called "NIXON Conspiracy Unmasked" and a handbill with this caption had been put out by YIP indicating the demonstration and listing prominent individuals and charging them with offenses. This was called a press release and the handbill is as follows:

In addition, the YIP had a mimeographed sheet called "People's Indictment". This was what was read at the start of the demonstration after the group gathered on the yard across from the guardhouse and this is as follows:

C O N F I D E N T I A L

People's Indictment

We the People, gathered here today in a people's tribunal, hereby accuse Richard M. Nixon of the following high crimes and misdemeanors, in violation of the United States Constitution; the duly enacted laws and principles of the United States, the United Nations Charter United Nations Resolutions, the Geneva Accords, the Hague Convention, the Nuremberg treaty.

Count I. Violations of International Law and Crimes against the People of Indochina as Committed in the following overt acts:

- Massive aerial bombardment of civilian targets
- Ecological and genetic warfare through the massive use of chemical and germ weapons, defoliants and cloud-seeding chemicals
- The deployment and use of weapons outlawed by the Geneva Conventions- weapons which are designed to kill, maim and terrorize civilian populations, such as dum-dum bullets, plastic pellet bombs and other fragmentary devices
- Widespread uses of incendiary devices
- Other acts of warfare directed at civilian populations, including the establishment of free-fire zones, forced relocation of non-combatants into concentration camps, and the planned destruction of the dikes and dams of Vietnam to effect the flooding of the Red River Delta which would result in the massive destruction of crops and the death by drowning of countless thousands of civilian farmers and their families.

Let it be noted that the use of the above weaponry and tactics is demonstrative of a deliberate policy of genocide, cited as an international war crime by the Nuremberg Tribunal.

In violation of the United States Constitution and the laws of the United States:

- 1- The commission of unauthorized acts of war in usurpation of constitutional powers vested exclusively in Congress to authorize war in Article I, section 8, clause 2 of the United States Constitution.
- 2- The continuation and expansion of the war in Southeast Asia in flagrant defiance of the repeal on January 12, 1971 of the Tonkin Gulf Resolution, and also in defiance of the Mansfield Amendment calling for the prompt termination of such a war.

Violation of the laws of the United States and crimes against the people of the United States as committed in the following overt acts; Murder and conspiracy to commit murder in the first degree:

- 1- Murder of black freedom fighters including Fred Hampton and 27 other members of the Black Panther Party
- 2- Murder of prisoners including the scores at Attica, George Jackson at San Quentin and many others at barbaric institutions across the country
- 3- Murder of students at Kent State and Jackson State
- 4- Murder of protesting citizens, including James Rector of Berkeley, during the liberation of People's Park
- 5- Murder of countless American G.I.'s and civilians by heroin addiction financed by C.I.A. Mafia-warlord activity in Indochina
- 6- Murder of countless American women by forcing them to receive improperly administered, unsanitary, illegal abortions.

In View of these actions committed by the United States Military Forces, of which President Nixon is Commander in Chief, and the various and several administrative branches of the U.S. Government, of which President Nixon is the Chief Executive, we thereby call for an immediate cessation of the aggressive acts of criminal warfare in southeast Asia, and the blatant violation of domestic rights to justice and freedom here in the United States, and for the sake of mankind and to raise the dignity and purpose of the office of the president of the United States above the level of mockery and deceit to which Mr. Nixon has degenerated the position, we are requesting the United States Department of Justice, U.N., Human Rights Commission to bring the appropriate indictments against Richard M. Nixon as circumstances, the law and basic human decency call for.

This is what we say: The laws and treaties and moral code of any human nation would condemn Richard Nixon forthwith for his cruel, amoral barbarism and so will the laws of the United States, sooner or later, call Milhaus Nixon to his hour of reckoning.

DETAILS:

I. BACKGROUND

A. Residence

MR. ABBOTT HOWARD
HOFFMAN

67D
[REDACTED] that at the present time the subject and his wife, ANITA HOFFMAN, continue to maintain their residence in the roof apartment located at 114-116 East 13th Street, New York City, New York.

[REDACTED] that at that time ANITA HOFFMAN was among those individuals comprising the Youth International Party (YIP), also known as Yippies, Staff. The YIP is a loosely-knit, anti-establishment, revolutionary youth organization formed in New York City in January, 1968. In May, 1972, a small faction calling itself YIP-Zippie came into being.

B. Employment

[REDACTED] that at the present time the subject is self-employed as a writer from his residence.

C. Arrests

1. Anti-Riot Law Violation-Chicago, Illinois

On May 11, 1972, the United States Court of Appeals, Seventh Circuit, Chicago, in a slip opinion of that date, issued the following pertinent rulings regarding the contempt aspect of subject's conviction for anti-riot law violations at Chicago, Illinois, in August, 1968, docket number 18294.

The Court held that the United States Supreme Court ruling in MAYBERRY vs. Pennsylvania governed in this case and remanded all contempt citations against non-lawyer appellants to the Executive Committee of the United States District Court, Chicago, for reassignment to an unbiased judge for his subsequent review and a jury trial.

NY 100-161445

In the event that this judge were to determine that the maximum sentence for any of the defendants was to be less than six months, then a jury trial would not be necessary. The Court did not go to the merits of any of the individual citations against any subject as to legal sufficiency, however, did so in the case of the two attorneys for the defense, that is, KUNSTLER and WEINGLASS.

In its opinion the Court held specifications deemed legally insufficient regarding WEINGLASS were numbers one, two, three, five, six, seven, and eight. Regarding KUNSTLER, specifications numbered one, two, five, eleven, twelve, thirteen, fourteen, fifteen, sixteen, the first part of seventeen, eighteen, and nineteen, were deemed legally insufficient. The remainder were reversed and remanded under the same guidelines as the non-lawyer appellants.

No disposition has yet been made by the Court of the Appeals regarding the substantive antiriot law convictions.

2. Anti-Riot Law Violation In Washington, D.C.

On June 27, 1972, [REDACTED] Judge J. LEWIS SMITH, United States District Court, District of Columbia, advised that the trial date for case number 97371, United States vs. ABBOTT HOWARD HOFFMAN, has not been set. [REDACTED] stated that since the United States Supreme Court has ruled on the Sixth Circuit case of United States vs. KEITH, a decision should be made by Judge SMITH in the immediate future as to the setting of a status call and possible trial date for subject's case. [REDACTED] further advised that the HOFFMAN case is presently being reviewed in light of the KEITH case by Judge SMITH. b7c

On August 7, 1972, [REDACTED], United States District Court, Washington, D.C., advised that in the case of United States vs. ABBOTT HOWARD HOFFMAN (case number 97371), the government moved on July 28, 1972, to dismiss two indictments against HOFFMAN.

NY 100-161445

HOFFMAN was indicted on May 13, 1971, charging him with Interstate Travel to Organize and Participate in a Riot, and obstructing a policeman during the riot.

Judge J. LEWIS SMITH, United States District Court, granted the government's motion and issued an order dismissing the indictments against HOFFMAN. This order was signed by Judge SMITH on July 28, 1972.

They were advised that such a decision would have to be made by the Miami Beach City Manager. RUBIN requested a meeting with the City Manager for May 23, 1972.
