RE: Joseph P. Kennedy

Dear Requester:

Enclosed is a copy of 1054 pages of material from FBI records regarding Mr. Joseph P. Kennedy which were previously released to other individuals.

See enclosed Form 4-694a, for an explanation of these exemptions. In addition, where excisions were made, the appropriate exempting subsections have been cited opposite the deletions. Where pages have been withheld in their entirety, a deleted page information sheet has been substituted showing the reason or basis for the deletion.

The enclosed material contains information which was furnished by other government agencies. Our consultations with these agencies have been completed and the documents are being released per their instructions.

During the review of material pertinent to this subject, documents were also located which originated with other government agencies.

The enclosed copies represent the best reproduction available. Some of the originals are of poor quality and the duplicating process renders a copy of poorer quality.

You may submit an appeal from any denial contained herein by writing to the Co-Director, Office of Information and Privacy, Room 7238 MAIN, United States Department of Justice, Washington, D.C. 20530, within 30 days from receipt of this letter. Your suffering has hardly begun. Teddy is next on the Kennedy "hit parade." And we won't rest til he gets his.

We are sick of the Kennedy's and all the damn Kennedy crap.

You stole from the church when you managed its affairs then you bought the church in the person of Richard Cardinal Hypocrite.

You were an unethical business robber and crook. You had a movie actress mistress. Your "devoted" wife stayed home only long enough to get pregnant. With your stolen money she tried to buy respectability but she is still shanty dirty Irish.

You thought you could buy the presidency - and did once. America doesn't like or want dynasties. Jack had to die. Bobby had to die. Teddy has to die.

We hope you live long enough to see total destruction of the Kennedy's and to suffer again and again before you die and go to Hell for all eternity.

The original Secret Service enclosure is being examined by the FBI Laboratory, and you will be advised of the results.

For information Richmond, Secret Service, by letters dated 7/3 and 7/8/68, forwarded letters received by Senator Kennedy. AUSA Washington, D.C. declined prosecution.

Richmond and WFO insure that appropriate local authorities are aware of the letter received by Senator Kennedy.

Boston promptly discuss this matter with the appropriate U.S. Attorney and take appropriate action. Each receiving office submit results of investigation in a form suitable for dissemination.

NOTE: By letter dated 7/3/68 Secret Service forwarded an anonymous communication received by Senator Edward Kennedy's Office which contained a possible threat. Copies of this communication were forwarded to Boston and WFO for appropriate action. By letter dated 7/8/68 Secret Service furnished an additional letter received by Senator Kennedy's Office that Secret Service believes to be written by the same person who wrote the original threatening communication. These two letters were discussed with AUSA Washington, D.C., who declined prosecution stating that letter is vague and as such does not constitute violation of Federal Extortion Statute. By letter dated July 16, 1968, Secret Service furnished letter received by Ethel Kennedy, which they believe was written by the same person who wrote the other two letters.

The FBI Laboratory will compare the two letters received by Senator Kennedy's Office with the letter received by Ethel Kennedy and advise Boston, Richmond and WFO of results.

Enclosed herewith for Boston, Springfield and Washington Field are Xerox copies of a self-explanatory letter from Secret Service dated 7/18/68 and Xerox and true copies of the enclosure to this letter.

It is to be noted that Secret Service believes the anonymous sender of the enclosure to their letter to be identical with the writer of the threatening communications Secret Service forwarded to the Bureau by letters dated 7/3, 7/8 and 7/16/68.

The original Secret Service enclosure is being examined by the FBI Laboratory and you will be advised of the results.

For information of Springfield, Secret Service by letters dated 7/3 and 7/8/68 forwarded communications received by Senator Kennedy. Assistant United States Attorney, Washington, D. C., declined prosecution. Secret Service by letter dated 7/16/68 forwarded communication received by Ethel Kennedy which contained a possible threat regarding Senator Kennedy. **Letter to Boston**  
**RE: UNKNOWN SUBJECT;**  
**SENATOR EDWARD M. KENNEDY**

Springfield and Washington Field insure that appropriate local authorities are aware of the letter received by Adlai Stevenson.

Boston immediately discuss this matter with United States Attorney and take appropriate action. Each receiving office submit results of investigation in a form suitable for dissemination.

**NOTE**

By letters dated 7/3/68 and 7/8/68 Secret Service forwarded to Bureau anonymous communications received by Senator Edward Kennedy's Office which contained possible threats. These two letters were discussed with Assistant United States Attorney, Washington, D. C., who declined prosecution stating that letters are vague and as such do not constitute violation of Federal Extortion Statute. By letter dated 7/16/68 Secret Service furnished communication received by Ethel Kennedy which contained a possible threat regarding Senator Kennedy. Secret Service believes letter received by Ethel Kennedy was written by same person who wrote the other two letters to Senator Kennedy. The FBI Laboratory will compare the two letters received by Senator Kennedy's Office with the letter received by Ethel Kennedy and the letter received by Adlai Stevenson and advise Boston, Springfield and Washington Field of results.

NOTE: By letter dated 7/3/68 Secret Service forwarded an anonymous communication received by Senator Edward Kennedy's Office which contained a possible threat. Copies of this communication were forwarded to Boston and WFO for appropriate action. By letter dated 7/8/68 Secret Service furnished an additional letter received by Senator Kennedy's Office that Secret Service believes to be written by the same person who wrote the original threatening communication. These two letters were discussed with AUSA Washington, D.C., who declined prosecution stating that letter is vague and as such does not constitute violation of Federal Extortion Statute. By letter dated July 16, 1968, Secret Service furnished letter received by Ethel Kennedy, which they believe was written by the same person who wrote the other two letters.

The FBI Laboratory will compare the two letters received by Senator Kennedy's Office with the letter received by Ethel Kennedy and advise Boston, Richmond and WFO of results.

Your suffering has hardly begun.  
Teddy is next on the Kennedy "hit parade."  
And we won't rest til he gets his.

We are sick of the Kennedy's and  
all the damn Kennedy crap.

You stole from the church when  
you managed its affairs then you brought  
the church in the person of Richard  
Cardinal Hypocrite.

You were an unethical business  
robber and crook. You had a movie  
actress mistress. Your "devoted" wife  
stayed home only long enough to get pregnant.  
With your stolen money she tried to buy  
respectability but she is still shanty  
dirty Irish.

You thought you could buy the  
presidency - and did once. America  
doesn't like or want dynasties. Jack  
had to die. Bobby had to die. Teddy  
has to die.

We hope you live long enough  
to see total destruction of the Kennedy's  
and to suffer again and again before  
you die and go to Hell for all eternity.
