On 14May02 at aprox. 2300hrs while conducting linen exchange, (b)(2) ISN (b)(2) became irate due to the fact he was not satisfied with the procedure of linen exchange and requested that I hand all of the items and that once they had it they would decide if they were willing to exchange them. When I told him that it could not be done in that manner he said that I was new and that I did not know what I was doing, there was a broom leaning against the fence and he held it in his hands and started (b)(3):10 USC fence while asking if I wanted any trouble. At this time I moved away to a safe distance and he stopped.

I WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

(b)(3):10 USC §130b (b)(6) (b)(7)(C) I was told by (b)(3):10 that Detainee ISN# (b)(3):10 threatened to harm himself if he did not get to see behavioral health. I called DOC and advised them of the situation, and they stated that they would contact beh. health for us. At 1507 hrs. Beh. health arrived onsite. I then escorted (b)(3):10 of the Air Force, and (b)(3):10 the interpreter, to (b)(3):10 to speak with the Detainee. Once introducing the personnel to the detainee I updated his book, and exited the room for privacy, as per the detainee's request. I advised (b)(3):10 that I would be just outside the door if she needed me. I was outside the door with (b)(3):10 about 10 minutes when we heard a female scream from inside the cell. We immediately entered the cell to find both the Beh. Health SSGT., and the interpreter running out covered in feces. I got them out, notified the guard shack requesting immediate medical help as feces had gotten into the eyes and face are of both parties. I then tried to enter the cell in order to retrieve the items left behind, but upon opening the door, I was then assaulted by more bodily fluids. I then had (b)(3):10 contact the field grade officer, (b)(3):10 of the situation, and that the detainee was still throwing bodily fluids. We gave the two assaulted persons showers in vacant cells, and washed their eyes with bottled water. At 1540 hrs. the field grade arrived, and sent the assaulted personnel to the detention hospital for decontamination. We then installed spit shields and were able to feed the detainee chow that had no utensils, and hand cleaner to sanitise his hands.//// End of Statement ////// (b)(3):10 USC §130b (b)(6) (b)(7)(C)

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

by me as the on duty sergeant of the guard (SOG) for camp 2/3 due to the block personnel being released to decontaminate themselves after having urine/fecal matter and spit thrown on them. At 1650hrs, 19 Nov 03, an (b)(3):10 team arrived to block to remove (b)(2), (b)(6) and take him to block. When the (b)(3):10 team removed him from his cell they noticed that (b)(3):10 had honey in the breast pocket of his shirt. The (b)(3):10 team removed the honey and (b)(3):10 began to swing around and become combative. At this point the (b)(2) team took the detainee down to the ground and took him out of the block. (b)(3):10 was laid on the outside the block and medical was called to evaluate him due to some blood coming from his mouth. When medical arrived (b)(3):10 refused to have them evaluate him and said something to the affect of, it is a crime to be seen by medical. The above statement is what was rendered to me by the block guards (b)(3):10 (b)(3):10 USC §130b, (b)(6), (b)(7)(C) Upon my arrival with (b)(3):10, the detainee's on block were kicking at their beanboies and throwing cups of liquid and spitting at the MP's. At this point I walked onto the block and through the tier and detainee's in cells (b)(2), (b)(6)

(b)(2), (b)(6)

(b)(2), (b)(6) all began to throw cups of liquid some with urine, some with soap and some toilet paper all over me. I yelled for the detainee's to calm down so I can talk with them. They refused and continued to kick and make noise. (b)(3):10 then walked the tier and he too got covered with cups of various liquids. At this point the block guards started to turn the water to the cells off and the detainees started to throw cups of various liquids. When dinner arrived the MP guards served the meal. After the meal the above listed detainees began to tear up the plates and threw the plates and orange peels in the tier making a mess of the tier way. After dinner we proceeded to collect all the detainees cups and the detainees continued to throw liquids and spit on the MP's. The detainees would tear up their cups and throw them on the floor of the tier or out their back windows. At this point myself, (b)(3):10 and the block guards were covered from head to toe with urine, spit and whatever other liquids they were throwing. I called for a (b)(3) team and took (b)(3):10 off of block (due to meals served and no other major issues occurring) and took (b)(3):10 from roving sally and replaced the block guards so they can get checked out at medical and go home and clean-up and shower. The (b)(3):10 guards then began to clean-up the block. At this point the block had calmed down so I departed to handle other duties (b)(3):10

8. Summary of Incident: On 6 July 2005 at approximately 1645 hours, the (b)(2) Block NCO (b)(3):10 informed the SOG that ISN (b)(2),(b)(6) refused to place his arm inside the food tray slot. The Block NCO instructed the Detainee to place his arm in the food tray slot and the Detainee refused. The Block NCO notified Camp (b) Control for the (b)(2) person to report to (b)(2) Block with the SOG. When the SOG and (b)(2) person arrived the Block NCO gave the Detainee three more verbal orders to place his arm in the food tray slot and the Detainee refused. The Block NCO informed the Detainee that himself and his Block Guards would have to place his arm in the food tray slot with the minimum amount of force necessary, the Detainee still refused. The Block NCO and Block Guards followed proper procedures by using pressure points, joint locks and wrist holds to place the Detainee's arm into the food tray slot using the minimum amount of force necessary. The Detainee smacked, grabbed and jerked at the clothing of the Guards. The food tray slot was successfully closed. The Guards or the Detainee received no apparent injuries. DOC, Camp NCOIC / OIC were notified.

On 26 June 2005 at approx. 1245, Detainee (b)(2),(b)(6) sat on the ground in (b)(2) Block yard area while being escorted and refused to enter his newly assigned cell (b)(2). The (b)(2) Team, (b)(2) and SOG2 instructed the detainee to stand and enter his assigned cell, which he refused. During the altercation, (b)(2) spit on SOG2 (on uniform only) five times when SOG2 instructed the (b)(2) Team to lift the detainee with the minimum force necessary and place him in his cell. Once (b)(2) was raised, he wrapped his legs around one of the escort personnel, at which time he was placed back on the ground. SOG2 further instructed (b)(2) to enter his cell and after about 5 minutes he complied; however, would not let the (b)(2) Team remove the shackles after being placed in the cell. The shackles were eventually recovered by PL2.

About 2220, 25 JUN 05, Detainee ISN# (b)(2), (b)(6) located in cell (b) refused to talk to the Block NCO about 3 problems and requested the PL. The detainee had threatened to throw feces onto the Block Guards if the PL did not come to the block. About 2230, the PL and the Interpreter arrived on the block to speak to the detainee. The detainee told the PL the meal he received had been heated up, but he refused the meal. The detainee, then complained the toilet was not working, however, the PL had the detainee flush the toilet, and the toilet worked properly, even though the detainee attempted to flood the toilet. After the toilet flushed, the detainee became agitated and told the Interpreter to go away. As the PL was turning back to face the detainee after looking at the Interpreter, the detainee spit into the face of the PL. The detainee then grabbed an apple that was on the interior cell ledge, stepped back, and threw it at the metal grating, forcing small pieces to strike the PL in the chest and side of his head. As the PL and Interpreter were walking away from the cell, the detainee grabbed his cup of tea and threw it onto the PL and the Interpreter.
