7. Summary of Incident: On 07 April 2005 at approximately 0840hrs, detainee ISN# [REDACTED] refused shower and recreation. He was ordered to come out for a cell search and placed his hands out in order to be shackled. When the Block MP began to place the shackles on the detainee, the detainee punched the Block MP in the stomach and spit on him. Per SOP, Behavioral Health was called and they arrived on the block with an interpreter to remove his Basic Issue (BI). When ordered to surrender his BI, the detainee threw urine on the Behavioral Health technician and the interpreter. The Camp [REDACTED] SOG then responded to the block and ordered the detainee to give up his BI. Again, he refused. The Camp [REDACTED] PL then attempted to get the detainee's basic issue items. The detainee stated that he would give up his issue items to the Behavioral Health officer if they came down and told him to give the items to the MP's. The Behavioral Health officer did not respond to the block. The on-duty Company Commander arrived on the block at approximately 1215hrs. When the CO went on the tier, the bean hole to [REDACTED] was open as the detainee would assault anyone who went to try and close it. The CO instructed one of the block MP's to retrieve an IRF shield to be used to close the bean hole. As the MP's moved to close the bean hole, the detainee threw feces through the bean hole,

which struck the on duty CO on the wrist, and legs. The MP's placed the IRF shield over the bean hole and were able to secure it shut. The CO then asked the detainee to comply with turning over his BI and was told no. At 1220 hrs, the CO then called the assistant S-3, then the on-duty field grade, and informed him of the situation. He then authorized the Forced Cell Extraction (FCE) and the primary IRF code was given. At 1234hrs, the IRF team entered the cell and conducted the Forced Cell Extraction. The detainee was shackled and taken to the recreation yard for examination by the on duty Corpsman. The detainee was asked if he was injured and he stated he was okay and uninjured. He was then carried by the IRF team to [REDACTED] block and placed into cell [REDACTED] without incident and the FCE was complete at 1245hrs. The detainee was fed his lunch meal at approximately 1300hrs.

8. Summary of Incident: On 3 June 2005, at approximately 0430 hours, I SOG [REDACTED] contacted Behavioral Health in regards to a memo authorizing Camp [REDACTED] Cadre to remove detainee ISN# [REDACTED] Basic Items for an incident the detainee committed early in the shift. Behavioral Health advised me they were waiting on my call to them, saying the removal of the Basic Items was completed. At that time I advised the [REDACTED] Wing Block NCO to remove the detainee's Basic Items. The MP's shackled the detainee's hands and legs using the minimum amount force necessary. When the shackling was completed the detainee became violent and non compliant. The detainee spit on the Wing Guard's [REDACTED] face and attempted to head butt the Delta Block NCO [REDACTED]. At that time the detainee was taken to the ground using the minimum amount force necessary. The [REDACTED] Wing Block NCO sounded the [REDACTED]. All available Cadre and the SOG responded to the incident. The detainee's Basic Items were removed. The MP's then unrestrained the detainee and exited the cell in the motion's of a Forced Cell Extraction. No injuries were reported from Camp [REDACTED] cadre or the detainee at that time. DOC, Camp [REDACTED] NCOIC, Medical and Behavioral Health were notified of the incident.

At approximately 0450 on 03 June 2005, I ██████████ assisted with the removal of the Basic Issue of Detainee ██████████ ISN: ██████████ per order Behavioral Health. The detainee was compliant and informed us that he wanted to be shackled and not pass the items through the tray slot. After the detainee was shackled he then proceeded to spit on me in the face. remove the towel or else he would be extracted from his cell so the towel could be removed to which the detainee again refused. At approximately 1530, [REDACTED] gave the order for the FCE to proceed. At 1540, the IRF team entered the cell and conducted the Forced Cell Extraction. The detainee was restrained in flexi-cuffs and taken to the recreation yard for examination by the on-duty Corpsman. When asked questions about if he was injured the detainee's only responses through the interpreter were words to the effect that he was at war with all present. The Corpsman determined the detainee to be uninjured. When the detainee was told he would have to give up his shirt and pants once back in his cell, he answered angrily with further threats. For this reason, shears were used to cut and remove his shirt and pants from him while being held by the IRF Team in the recreation yard. The detainee was then carried by the IRF team back to his cell, [REDACTED] without incident and the FCE was complete at approximately 1620. The entire FCE was video-taped.
